SERVING THE COMMUNITY SINCE 1983!

October 11, 2016

To Whom It May Concern:

Boeing Field is an important hub for Angel Flight West passengers going to and from many of the top medical facilities in the Pacific Northwest. Kenmore Aero Services provides red carpet treatment for our passengers and pilots. While some FBO's do not provide the level of support to smaller GA planes Kenmore does, it serves as a valuable service and resource to the community. Kenmore has also provided financial support which helps us to continue our mission.

Our pilots have commented on the ease of both BFI and Kenmore Aero for missions.

Boeing Field is invaluable and significant to the community-at-large.

Sincerely,

Josh Olson
Executive Director
