Mr. Michael Luigs
President
Kenmore Aero Services, LLC
8555 Perimeter Rd. South
Seattle, WA 98108

Dear Mr. Luigs,

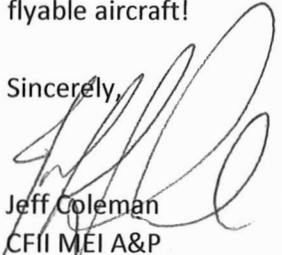

Thank you very much for Kenmore Aero Services' \$15,000 gift pledge for use by the students at our school. It is a dream come true to offer hands-on instruction with real, flyable aircraft.

As we discussed, the Van's RV-12 empennage assembly you ordered for us will make its way into our classroom next spring and we may also have the opportunity to use a portion of your gift toward the purchase of an aircraft for flight instruction purposes very soon.

Mike, as a fellow pilot with Kenmore Air Express, I know that giving to the community is an important part of the Kenmore culture. Rest assured that this donation will be put to good use. My students are excited to learn about aviation career paths and I believe the "real world" exposure your gift provides is vital to addressing the shortage of pilots and all aviation professionals.

Thanks again Mike! I will certainly keep you updated as our students turn your gift and vision into a flyable aircraft!

Sincerely,

Jeff Coleman
